Charity Organization Name: _____

Contact Name: _____

Several opportunities have been developed this year to help promote participating charities in our CFC:

- ? An online, searchable database of the participating charities. It can be searched not only by state, county and keyword, but by geographic area of service and category of service.
- ? Kickoff events, including charity fairs, so you can be present to meet federal employees.
- ? A charity speakers and tours list, which will be distributed to all federal campaign coordinators.
- ? The promotion of your volunteer opportunities and resource needs.

If you wish to take advantage of some or all of these opportunities, please provide the information requested:

1. **CFC Online Searchable Charity List** (Available starting Sept. 15th).

Please place an X next to the county(s) listed below that reflects your organization's area of service. If you select "statewide" you will automatically be included in all of the counties listed in that state. Be realistic in your selection(s). The LFCC reserves the right to refer to your CFC application to verify your selection(s) and modify your selection if evidence suggests your organization does not in fact, serve the indicated areas.

Also, please place an "X" next to the type of service(s) that best describes your organization. You may select up to two (2).
